How it works

1. Create your store profile
2. Upload items (or link Instagram/store)
3. Shoppers browse, buy & follow you

Connect

- www.upsessed.com
- Instagram: @up_sessed

Up^sessed

Vendor FAQ

1. What is Up^sessed?

Up^sessed is an online marketplace dedicated to vintage and thrift fashion. Instead of thrifters searching through limited options at multiple stores at different online locations, we bring everything together in one place. We make it easier for thrifters to discover unique pieces and support small businesses at the same time!

2. How does it work for vendors?

Vendors will have their own Up^sessed marketplace storefront and profile on the platform where they can upload products, to get instant visibility. Shoppers can then find them, browse, buy, and follow your store directly through Up^sessed.

Vendor FAQ

3. What does it cost to join?

It's free to sign up. Up^sessed takes a small commission on sales (around 10%) to keep the platform running. This is often lower than what other online marketplaces charge.

4. How does it help my store?

- Increases your visibility (customers outside your city can discover you).
- Connects you to thrifters who are specifically looking for your vibe.
- Provides a modern, easy-to-use platform without you needing to build your own website.

Up^sessed

Vendor FAQ

5. How do customers find me?

Customers can search by category (jackets, dresses, jewelry, etc.), location (Ontario, Toronto, etc.), or by store name. This makes it easier for buyers to find your unique style.

6. Do I need to have an online store already?

Absolutely not! We've got you covered! Vendors can upload their items directly to www.upsessed.com even if you've never sold online before. If you already have an Instagram store or website, we can help link it to your Up^sessed marketplace storefront for more traffic.

Vendor FAQ

7. When will it launch?

We're currently building the platform and connecting with vendors first. The website launch page is already live at www.upsessed.com, and the full platform will roll out soon. Vendors who sign up early will be the first featured.

8. How do I sign up or get more info?

DM us with your Instagram handle or email us today, and we'll send you the sign-up info when we launch. Or you can check out www.upsessed.com and sign up to the wait list.
